

Dr. Kenneth F. Galloway
Vanderbilt University

EDUCATION

University of South Carolina
Ph.D., 1966
Vanderbilt University
B.A., 1962

WORK EXPERIENCE

Vanderbilt University
Dean of the School of Engineering and Professor of Electrical Engineering, 1996 – Present
University of Arizona
Head of the Department of Electrical and Computer Engineering, Professor of Electrical and Computer Engineering, Professor of Optical Sciences, 1986 - 1996
University of Maryland, College Park
Professor of Electrical Engineering (part-time), 1980 - 1986
National Bureau of Standards
Chief, Semiconductor Electronics Division, 1985 - 1986
Chief, Semiconductor Devices and Circuits Division, 1981 - 1985
Assistant Division Chief, Electron Devices Division, 1980 - 1981
Commerce Science and Technology Fellow, 1979 - 1980
Section Chief, Electronic Materials Section, EDD, 1977 - 1979
Member Technical Staff, Electron Devices Division, 1974 - 1977
Naval Weapons Support Center, Crane
Research Physicist, 1972 - 1974
Indiana University
Associate Professor of Physics, Assistant Professor, Research Associate 1966 -1972
University of South Carolina
Instructor, 1965 - 1966

AREAS OF EXPERTISE

Space and defense electronics, radiation effects in microelectronics, microelectronics technology, solid state devices, device reliability.

PROFESSIONAL/SCIENTIFIC/HONORARY AFFILIATIONS

Fellow, IEEE; Fellow, American Physical Society; Fellow, American Association for the Advancement of Science; Member, American Society for Engineering Education; IEEE Nuclear and Plasma Sciences Society Radiation Effects Award (2002); IEEE Nuclear and Space Radiation Effects Conference Outstanding Paper Award (1991, 1998); Recipient, University of Montpellier II Medal of Honor.
